PROJECTS

WEB PORTFOLIO WEBSITE

My personal portfolio website I designed and built in 2020. I learned quite a bit about HTML, CSS, BOOTSTRAP, JQUERY and JAVASCRIPT. Since then, I think my web development and design skills have improved immensely.

ONLINE SUBMISSION AND PROCESSING OF TELEPHONE AND NEWSPAPER BILL

As part of B. Tech final year Project (8th Semester, team of four), we have designed and developed this web application using HTML, CSS, JavaScript, bootstrap for front end and asp.net, MySQL for Back end.
